

FACULTY DISCLOSURE INFORMATION

It is the policy of the University of Florida College of Medicine to ensure balance, independence, objectivity, and scientific rigor in all programs it provides. In accordance with the ACCME's Standards for Integrity and Independence in Accredited Continuing Education, the University of Florida College of Medicine is required to disclose to the activity audience the relevant financial relationships of all persons involved in the selection, development, and presentation of CME content. Persons who refuse or fail to disclose conflicts of interest are disqualified from participating in the CME activity. All relevant financial relationships listed have been mitigated.

Relevant financial relationships appear below:

- **The following speakers and planning committee members have an affiliation/financial interest in the following areas:**

Dr. Paul Okunieff receives Research Support from DiaCarta, Entrinsic Health and GainPep; is a Consultant for DiaCarta, Entrinsic Health and GainPep; and is a Stock Shareholder with DiaCarta, Entrinsic Health and GainPep.
