57th UNIVERSITY OF FLORIDA DEPARTMENT OF RADIATION ONCOLOGY RESEARCH SEMINAR

Hilton University of Florida Conference Center | 1714 SW 34th Street, Gainesville, FL

Dear Sponsor:

The Department of Radiation Oncology at the University of Florida College of Medicine welcomes your participation in our **57th Annual Radiation Oncology Research Seminar on February 26, 2027**.

This year's event will again feature two concurrent programs: a Physician's Seminar and the Radiation Therapists' and Oncology Nursing Seminar.

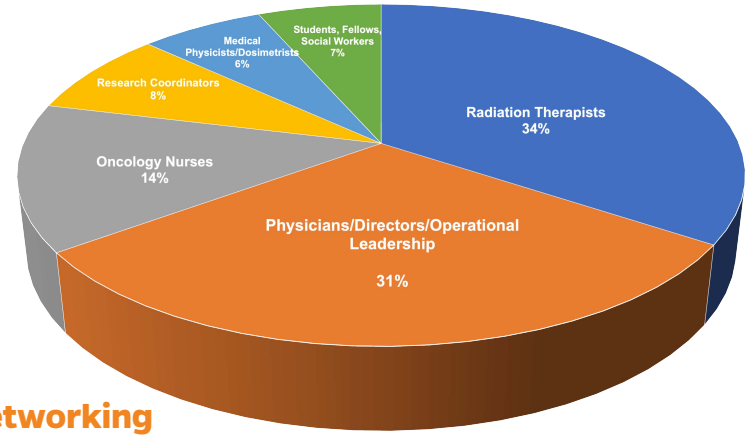
Presentations by UF faculty, staff, residents, and other health professionals will address the treatment of a variety of cancers as well as clinical research outcomes, with several reflecting this year's genitourinary cancers focus. Breakfast and lunch for all attendees will be included. Our alumni, professionals in private practice, and faculty and residents from other educational institutions are expected to attend.

Seminar Overview

1. **Time and Place**: The event will take place on **Friday, February 26, 2027**, 8 am to 5 pm, at the Hilton University of Florida Conference Center, 1714 SW 34th Street, Gainesville, Florida. Breakfast will be served at 7 am. **Special room rates are available** – follow this link for more information.
2. **Keynote Speaker**: Jeff M. Michalski, MD, MBA, FACR, FASTRO, Carlos A. Perez Distinguished Professor, WashU Medicine, St. Louis, MO.
3. **Fees**: Exhibitor registration fees are outlined on the following page. Contracts and registration links from the UF Continuing Medical Education (CME) office will be forthcoming, and fees can be submitted online.
4. **Special event**: Back by popular demand, the 2027 event will feature a multidisciplinary panel presentation focusing on genitourinary cancer treatment that will stimulate new ideas and challenge old ones for the audience. Physicians and researchers from urology, radiation oncology and medical oncology teams will participate.
5. **Setup**: Exhibitors will be featured in the Hilton University of Florida Conference Center Pre-function area outside of the meeting ballrooms and will be provided a table with access to electrical outlets. Prior to the event, we will contact you to discuss and confirm additional details about the exhibit space and set-up instructions.
6. **Meals**: Breakfast, lunch, snacks and drinks will be provided on-site.
7. **Attendance**: You will be interacting with clinicians, therapists, nurses and other health professionals from across the country. Based on the popularity of our events and historical numbers, we expect attendance as outlined on the following page.

Projected Attendance

Physician Research Meeting	75
Radiation Therapists'and Oncology Nurses' Meeting	80
Total	**155**



An Important Opportunity for Visibility and Networking

Sponsorship of this impactful seminar not only supports innovation in cancer care and education, but also provides your organization with significant visibility and networking opportunities among UF faculty, your Florida and regional connections, healthcare leaders, and decision-makers.

Speaker-level Sponsorship: **$3,000 (one available)**

- Dedicated room for exhibit/booth and 20-minute breakfast presentation
- Complimentary full page, full-color ad in event program
- Complimentary attendance for two representatives
- Recognition as main sponsor logo on the UF Radiation Oncology website Research Seminar page and in the Seminar program

Basic Sponsorship: **$1,500**

- Exhibitor table (table provided, or set up your own booth) in the Hilton University of Florida Conference Center Prefunction Space
- Complimentary half page full-color ad in event program
- Complimentary attendance for one employee (1 representative only)
- Recognition with logo on the UF Radiation Oncology website Research Seminar page and in the Seminar program

Our Seminar is an important venue that allows us to define optimal treatment approaches, produce the best plans, employ first-rate techniques, assess outcomes, and develop new treatment approaches. We will also encourage visitation to sponsor tables via a planned activity and/or announcements during the event. Please note that the UF Radiation Oncology seminar requires CME approvals regarding exhibit opportunities to ensure compliance.

Please note that payment by check should be made to: UF Continuing Medical Education,1329 SW 16th St., Suite 2106, Gainesville, FL 32608 (**UF tax ID is 59-6002052**). Contact me via email or mobile phone (information below) if you have any questions.

We look forward to seeing you there!

Best wishes,

Liza Winthrop Grammel
